

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

U.S. Patent No. 6,832,907 B2

Date of Patent: December 21, 2004

Inventor: Erik Spangenberg et al.

For: CONTROLLED MOULDING EQUIPMENT

REFUND REQUEST UNDER 37 CFR §§ 1.26 AND 1.28

Mail Stop 16
Director of the US Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant paid the first maintenance fee on March 21, 2008, and the fees paid at that time were charged to Deposit Account No. 50-2478(742111-127) in the amount of \$930.00 which is the fee for a large entity. However, the applicant has small entity status, and thus, the first maintenance fee paid should have been \$465.00. Thus, since this refund request is within the time period set forth in 37 CFR § 1.28, favorable action on this request is in order.

Thus, the Commissioner is hereby requested to credit the overpayment of \$465.00 to Deposit Account No. 50-2478(742111-127).

Respectfully submitted,

By: 

David S. Safran

Director of the US Patent and Trademark Office
PO Box 1450
Alexandria, VA 22313-1450

Sir:

The above-identified U.S. Patent entity status shows in the U.S. Patent Office the patent is a large entity. However, since the patentee is entitled to small entity status, it is respectfully requested that the entity status be changed to small entity.

The Office is invited to contact the undersigned by telephone in order that this matter may be expedited.

Respectfully submitted.
